KNOW YOUR PRINT INDUSTRY

In today's busy world it is hard to keep up-to-date on laws that have passed or potential legislation. You might not know about how laws and regulations could potentially affect your industry or how to share your thoughts with federal, state or local leadership. We encourage you to "Know Your Print Industry". Printing Industry Midwest (PIM) wants our membership to be prepared. We will continue to share industry legislation news in our email newsletter, The eLoupe News, and from time to time, a standalone email called "Know Your Print Industry".
